REPORT AND RECOMMENDATION

Pursuant to 28 U.S.C. § 636(b), I conducted a plea hearing in this case on September 4, 2024. At the hearing, defendant waived his right to prosecution by indictment and consented to proceeding on an Information rather than indictment, and entered a plea of guilty to the one-count Bill of Information pursuant to a written plea agreement. I find defendant made a knowing and voluntary waiver of indictment and consented to proceed before the magistrate judge. On the basis of the record made at the hearing, I find the defendant is capable and competent to enter an informed plea; the plea is made knowingly and with full understanding of each of the rights waived by defendant; the plea is made voluntarily and free from any force, threats, or promises; apart from the promises in the plea agreement; the defendant understands the nature of the charge and penalties provided by law; and the plea has a sufficient basis in fact.

Therefore, I **RECOMMEND** defendant's plea of guilty to the one-count Bill of Information be accepted, and the Court adjudicate defendant guilty of the charges set forth in the one-count Bill of Information, and a decision on whether to accept the plea agreement be deferred until sentencing. Defendant was detained and I further **RECOMMEND** defendant remain in custody until sentencing in this matter or further court proceedings. Acceptance of the plea,

adjudication of guilt, acceptance of the plea agreement, and imposition of sentence are specifically reserved for the district judge.
